

REMARKS

Claims 49-55 are presented for consideration, with all the claims being independent.

Claim 1 has been cancelled, and Claims 49-55 have been added. Support for the new claims can be found on page 6, line 11, *et. seq.*, of the specification.

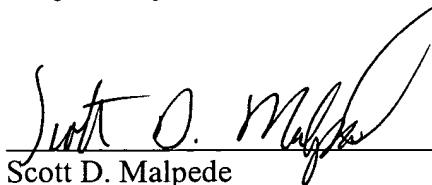

Claim 1 was rejected under 35 U.S.C. §101 as claiming the same invention as Claim 1 in U.S. Patent No. 6,702,636. As noted above, Claim 1 has been cancelled. This rejection is therefore deemed to be moot and should be withdrawn.

Claims 49-55 are now presented for consideration.

In view of the foregoing, reconsideration and allowance of this application is deemed to be in order and such action is respectfully requested.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
